

The ITTN, in collaboration with Pearl Cohen, are pleased to invite you to a series of webinar sessions on recent technology and legal matters

LECTURE #4

LICENSING TRANSACTIONS BY ACADEMIC TECH TRANSFER ORGANIZATIONS (TTOs): SELECTED ISSUES

In this lecture we will discuss the following issues: (i) Taxes, (ii) Royalty Term (beyond the life of the patent), and (iii) No Challenge provisions. These provisions may have direct and significant implications on the economics of the licensing deal and should be carefully considered during negotiations.
